Three Towed Barges Dock At Port Of BG With 400-Ton Cargo

IN BRIEF.

The Glades growing population makes it more important that Belle Glade keep space and complete its sewerage plans if at all possible.

The continued threat of disease from newcomers makes it important that our health conditions are kept neat and clean to prevent outbreaks as well as for prevention of epidemics.

Glades canals are still dangerous if you drive an automobile into them, either accidentally or carelessly. Have regard for them and if you must turn over in your car turn the other way. Two families were deprived of their breadwinners Sunday in the canal along State Road No. 80.

We hear by the grapevine that the postoffice will be begun one day soon. The date for moving into the new building is still February 1.

Holidays are not far away. We hear of a dance by the Policemen on the 28th, one for the Rainbows on Dec. 2nd and one for the Elks around New Year's.

Herald Foreman, Clarence Aspey, returned home Monday after a week's rest at Belle Glade Memorial Hospital. It is hoped he will be out and around within a few more days.

To allow HERALD employees to spend Thanksgiving Day with their families we will publish next week's paper on Sunday, all ads and news copy must reach us early for the November 16th edition.

All City, County and State offices will be closed for a double holiday, next Thursday and Friday.

Okeechobee Labor Camp reports 250 off-shore laborers have moved in within the past ten days and applications are on hand for 350 more. Housing there is available for only 250 to fill the place to its 2,000 capacity for the first time in four years or more.

For the week November 7-15 the Chamber of Commerce has arranged housing for six new families totalling seventeen people. A family who selected Belle Glade for their retirement home. The others are with sugar, soy, produce and retail businesses.

Word was received here Monday of the death of Port Myers of Francis Stokes, 48, former Glades resident. Mr. Stokes who reportedly was a time-keeper employed by the U. S. Sugar Company lived in Canal Point before going into the Grocery and Produce business in Ft. Myers.

Lake Okeechobee 3 Feet Low Water Shortage For Farming?

The 730-square-mile Lake Okeechobee is three feet below the level desired at this time of year and "L" is the natural reservoir for much of southern Florida. The Central and Southern Florida Flood Control Board heard last week at its monthly meeting in Kissimmee.

Although, "farmers" may not have sufficient irrigation water, "water" levels of more than nine feet can be maintained in Lake Okeechobee in coming months - sufficient to prevent salt water intrusion into municipal well fields along the east coast.

Zeb, Grant, Director of Operations and Maintenance also reported that both ground water tables and surface water levels are low.

Home Influence And Parental Interest Held Basic By PTA's In Discussions

Herman Close, program chairman, closed a discussion of the membership attending the PTA meeting into groups for discussions of problems facing students and parents. However, parents generally traced responsibility back home, as outlined in the following:

The question "Are Family Moral Values Changing?" brought the idea that "Times have changed, but - still keep a rein on your - girls now are not."

Buy And Wear A Gold Corsage For BG-Pahokee Game

Help support your Belle Glade High School Band and join in the school spirit by wearing a gold and blue Mum corsage to the Belle Glade Pahokee game and Alumni night celebration here November 22nd.

Corsages are being made by members of the Band Parent organization to sell for that night and orders will be solicited by telephone beginning this week, according to chairman Mrs. H. R. Lott.

If you prefer, the ladies would appreciate your phoning your order in ahead of being asked. Mrs. M. Lee Berryhill, 62-2912 or Miss Sara Creech, WY 6-2593.

Proceeds will be used for the Band's outside activities, including the trip to the State Convention, to help pay for new uniforms and other traveling costs.

Glades Livestock Market Annual Meet Elects Dairy-Beef Producer To Board

More than 140 members and visitors at the twelfth annual meeting of the Glades Livestock Marketing Association witnessed the election of dayman to the Board of Directors of the Association Thursday night, November 9th, at the Royal Palm Hotel on U. S. No. 441.

Mr. James H. Hendrie of Hialeah, Secretary of the National Dairy Farmer's Association, was elected to the Board to fill the unexpired term of W. L. E. J. H. H. Hendrie. In addition to the Whitebelt Dairy of Miami, Mr. Hendrie's organization operates a ranch near Canal Point.

Otto Larsen, President, Roy Vandergift, Vice President and W. L. E. J. H. Hendrie, Secretary, present officers were re-elected as Directors. Other Directors are E. H. H. Hendrie, Greenville, president; Art Karst, Vero Beach, vice president; Don Putnam, Bartow, secretary; John Tiedtke, Winter Park, treasurer and T. M. C. McClane, Jr., Gainesville, executive vice president.

Among hold-over directors, who will serve another year, are: Chas. Freeman, Okeechobee; Mr. Tiedtke; Mike Machen, Jr., Delray Beach.

Assuming a normal amount of rain falls in the next six or eight months - traditionally "dry season" in Florida - the PCD estimates that the level of Lake Okeechobee will drop below 10 feet. The all-time low recorded for Lake Okeechobee is 10.2 feet (above mean sea level).

poised are below normal through out the District as a result of insufficient rainfall over the past nine months. Many lakes in the Upper Kissimmee River Basin are at record lows for November. For example, Lake Kissimmee and Lake Tohopekalope are both 3 feet below normal for this time of year. Lake Istokopka is nearly 3 feet below normal. (These lakes are part of the major tributary systems supplying water to Lake Okeechobee). The Kissimmee River is discharging water into Lake Okeechobee at 19 per cent of normal.

Initiation Of Planned Freight Service Marked By Port County And City Heads

Years of planning, hard work and promoting by the Port Committee of the Belle Glade Chamber of Commerce, aided by private and official citizens of the Glades County and the U. S. Engineers, will be recognized Tuesday when three barges in tow from Jeanerette, Louisiana loaded with 400 tons, plus, of machinery for the Florida and Osceola Sugar Mills dock at the Port of Belle Glade.

The Port Authority of Palm Beach under whose jurisdiction we operate, the County Commission, City Fathers of Glades County, our Legislative Delegation in Tallahassee, Congressman Paul Rogers and others are expected to attend the formal welcome and a barbecue chicken dinner served at the Port.

Two Family Heads Drowning Victims

Two wives and five children mourn husbands and fathers who were drowned Sunday in the Cross Canal just west of Twenty-Mile Bend. The bodies of Holly Compton of 81 E. 39th Street, Hialeah, and Paul Compton, also of Hialeah, his cousin were recovered by Sheriff's deputies assisted by Highway Patrolmen.

Holly Compton is reported to be survived by his wife, Bessie and two sons, age six and three; Paul Compton by his wife two sons and a daughter.

Reports indicate that the car which was apparently driven at a high rate of speed had lost its top before plunging into the canal. Paul's body was recovered during an intensive search by officers.

Coy Murphy and his wife were riding along Road No. 80 Sunday and halted a passing Trooper to point to him evidence of an accident indicated by a car door lying alongside the road, and marks on the road way as well as a seat floating in the canal.

With the aid of the Sheriff's Deputies Clark and Roellie and Highway Patrolmen from the Glades and West Palm Beach station the body of Holly Compton was found Sunday, but the body of the other victim was not found until Monday.

Cpl. Blocker and Trooper Garrett of the Pahokee Station were joined by Lieut. Howell Gillett and Sgt. G. R. Bennett of the West Palm Station in the search and recovery of the bodies.

Panamerican Solidarity!

A Cuban refugee from Castroism who is creating waves on the sea of finance and sugar production in the Glades held a verbal duel, according to press reports, in Tallahassee Tuesday with a Colombian from Bogota resulting in 1,280 acres of 375-per-acre land going to the Cuban and 14 to the Colombian.

Mr. Albert Rojas Chaux, the Colombian, told reporters his group wanted the land to grow cattle, while Mr. Riva said the land is in the middle of his 16,000-acre cane patch.

Let's find some more isolated savagery to tempt Panamerican Solidarity!

Driver's License Retire By 86-Year-Old Driver

The East Florida AAA Division has asked that a special license be given to the rare, responsible citizen who voluntarily "retires" his driver's license.

The request came in the form of a letter from Division Manager R. J. Finley to J. Edwin Larson, chairman of the Citizens' Committee on Highway Safety.

We're not sure they read it in THE HERALD, but the ideas are so near to expression in this paper sometime ago - several times ago, that we're saying "thanks" anyhow.

Initiation Of Planned Freight Service Marked By Port County And City Heads

Years of planning, hard work and promoting by the Port Committee of the Belle Glade Chamber of Commerce, aided by private and official citizens of the Glades County and the U. S. The Port Authority of Palm Beach under whose jurisdiction we operate, the County Commission, City Fathers of Glades County, our Legislative Delegation in Tallahassee, Congressman Paul Rogers and others are expected to attend the formal welcome and a barbecue chicken dinner served at the Port.

The Chamber Committee states that many citizens are progressing with several of the sugar mills, now building and planned concerning the use of barge transportation for incoming machinery and equipment, as well as for regular shipment of raw sugar to refineries.

Data on size and draft of barges for use of the canal and barge as well as proposed warehouse facilities for other wholesale items for south Florida are being assembled for consideration by the Port Authority of West Palm Beach and the local Committee.

Pleasure craft fishing boats that carry out projects have made use of the protected basin and canal approaches to the Belle Glade Port. The volume-tonnage use encourages the Committee in its efforts and plans to make this inland port a much used utility.

Jake Sandoz of the J & L Machinery Co., the manufacturer of the equipment being brought in attended a meeting of the Port Committee Tuesday night and is cooperating with them in making detailed arrangements for the official reception of the vessels.

Joy Juice - Jail Lots Uh Time To Forgo

The Pahokee police were the winners in a chase participated in by the Sheriff's deputies, Highway Patrol and Belle Glade police Tuesday night, following the breaking and entering of the Glades Mercantile store in Pahokee, with the driver of a truck safely confined behind bars and charged with breaking and entering and appropriating a sewing machine, a television, a radio, some cash, and other miscellaneous articles.

A nearby resident to the Glades Mercantile place observed the man hiding under a table and notified the police. When the police arrived the man was seen speeding away in a truck. All nearby law enforcement officers were notified and joined in the chase.

When the truck was finally stopped, the articles listed were found, but the driver "didn't remember" what had happened.

After finger-printing and identifying him the police report that he has a record as a burglar, and that he is likely to have plenty of time as a guest of the State to reflect and then forget it.

It is reported that there was evidence of the man having slept in the truck, and that he had a quantity of Joy Juice. The prisoner is listed under the name of Arthur Lee Britt.

As a club effort to "sweeten" the Thanksgiving holiday, all Civilians are offering the south Georgia fruit-cake, Claxton, in one, two or three pound packages.

This choice of a season food item appealing to the family taste or holiday nibbling by anyone, insures EVERY Civilians' efforts and further enhances the probability of a fuller purse in the Civitan year-round community effort.

Among the groups aided by Civitans are children's section of the public library, Royal Palm School for Exceptional Children, Glades Educational Fund, the Civitan Ministry to Migrants, Little League and many others.

If a Civitan doesn't button-hole you the cakes may be had at Agricultural Insecticide, Charles Standard Station, Grant's Department Store, or Sue's Dress Shop.

Your fruit cake dollar will get it's value with the Civitans, AND help a lot of worthy causes.

RAMS WARD OFF Beat Clewiston 26-13 RIVIERA 21-20

Belle Glade hustling Rams won a real cliff option from the Riviera Beach Hornets 21-20. This is the second Homecoming the Rams have wrecked by one point. They turned the trick at Seacrest 7-6.

Belle Glade's Dewight Ward looked 128 karat gold in scoring two touchdowns, passing another and adding an extra point. He ripped his league leading score total to 68 points. He had 11 touchdowns and two extra points.

Belle Glade took a fumble on the kickoff from the Riviera Beach 37 very quickly to the Hornets 10, but lost a fumble that killed the drive.

The Hornets had to punt and Martin signaled for a fair catch on the Riviera Beach 45. Using two pass plays to Tommy Bass and Kenny Martin to get just inside the Hornets 20, Ward nailed Tommy Bass going a yard for the Ram touchdown.

Ward ran for the PAT and a 1-0 lead.

Riviera Beach came back in a Notre Dame Box formation and Belle Glade scored first, a touchdown. With 21 lb. Jim McCintock and 175 lb. Ron Pinder getting a clip, they used much of the second quarter. McCintock scored from 3 yards out and passed to Al Farley for the PAT. The half ended deadlocked 7-7.

In a wild and woolly second half, Belle Glade scored first. With Ward throwing strikes to Martin and Bass, the Rams moved to the Hornets 8. Ward called out to pass but found daylight and put the Rams ahead on his eight yard sprint 12-7. Tommy Cline came on to wedge for the extra point and made it 14-7.

The Ram lead was short lived. McCintock went 65 yards out, but the first play after the kickoff for a touchdown. Ron Pinder ran the extra point for a 14-14 tie.

The Hornets came back the first play of the last quarter. Ron Pinder ran the extra point for a 14-14 tie.

McCintock was to come to the aid of the Rams again when he fumbled Ward's punt at mid-field. Tommy Bass was there to haul it to the Hornets 5 before being pulled down by Pat McGinty. Ward jammed it over after two tries... his own and Bobby Stratton's.

Tackle Gary Lynn

Gary Lynn, alternate starter, 155 lb. tackle with Belle Glade Rams is a junior, playing his last year in football. He is considered a real hustler by the coaches.

the aid of the Rams again when he fumbled Ward's punt at mid-field. Tommy Bass was there to haul it to the Hornets 5 before being pulled down by Pat McGinty. Ward jammed it over after two tries... his own and Bobby Stratton's.

Bucky Holt got good blocking from the forward tucks and got the all-important PAT.

Earlier, the Rams had missed one scoring opportunity when Bobby Stratton had moved the ball to the Hornets 11. Best Davis went in for a field goal attempt but had it blocked.

Belle Glade ended their season record at 4-4-1.

"B" Team Ends Season Successfully

With all four starting backs scoring touchdowns apiece, Belle Glade "B" team beat Clewiston 26-13.

After the opening kickoff, the Baby Rams moved to the Clewiston 8. Hughie Jones scored from there.

In the second quarter Harry Tucker went 34 yards up the middle for the second touchdown.

Mike Durranne threw a 21 yard pass to Tim Hill for Clewiston's first touchdown.

Eddie Buckner went back to pass but had to run and made it 41 yards to the end zone in the third quarter.

Bootsy Weathers scored from 7 yards out for the last Belle Glade touchdown.

Happy Tucker and Pat Gilbert ran the extra points.

Mike Durranne ran 65 yards for a touchdown and passed to Tim Hill for the extra point. Albruke Kruse, Jimmy Johnson, Ron Halbrook and Ray Hayes were standouts among the linemen.

Son of Judah... By Dan Levin is a deeply emotional and skillfully written novel, recalling in many of its aspects the classic Ben Hur. Set in the Roman world of the first century A. D., it is a story of Ben Yehuda, who as a young man was brought up in luxury far from the traditions of his forebears... Impressed as a soldier in the Roman Legion, sent to Palestine to help put down an uprising. There he comes face to face with a Jewish Messiah, Ben Yehuda, torn between idealism, sensuality, action and mysticism, love and duty, much the same in our time as in his.

In Service

T. Rayburn, sonarman third class, U.S.N. son of Mr. and Mrs. Thelmon Rayburn of Belle Glade, Fla., is serving aboard the escort destroyer USS Nicholas, a unit of an amphibious task force scheduled to take part in Operation Silver Sword on Oct. 30, assaulting beaches on the Island of Maui in the largest maneuver of its kind to take place in the Hawaiian Islands since World War II.

A routine training exercise to improve proficiency and teamwork in amphibious techniques, the operation will consist of 25 ships, 100 Marine Corps aircraft and more than 10,000 sailors and marines.

Climaxing several day intensive training in the area, the operation will begin when the first wave of the assault hits selected beaches on Maunaloa Bay shortly after midnight and is met by "opposing" forces to provide realistic combat training.

Nazarene Church

To Hold Revival

Dr. John L. Knight of Lakeland will conduct revival services at the Church of the Nazarene, 108 N. W. Ave. B, Belle Glade beginning Nov. 27 and continuing through Dec. 3. Services will be held at 7:45 p. m.

Dr. Knight, one of the general board members of the International Church of the Nazarene is also District Sup't. of Florida.

A cordial invitation is extended by Rev. Ora Smith, pastor, to anyone wishing to attend the services.

Rev. Morris Elliott Speaks To W. M. S.

The general meeting of the WMS met Tuesday night Nov. 7 in the church auditorium. Mrs. Junius Harris presided in the absence of the president, Mrs. W. E. Schlechter.

During the business meeting it was voted to change the time of the meeting from the second time to the first and third Tuesday night following the first and third Sunday. This change of date better fits into the church calendar.

Mrs. Carl Hill, program chairman, introduced Rev. Morris Elliott, a warner among the Jews, and assistant to the Superintendent of Missions of the Mission Baptist Association, Miami. Mr. Elliott used slides to illustrate his comments.

Approximately 35 members were present.

Baptist Minister And Wife Honored

Rev. and Mrs. Luther A. Key

A host of friends in the community and members of First Baptist Church attended a reception honoring Rev. and Mrs. Luther Key the new pastor and his wife, Sunday afternoon from 3 to 5 p. m. They are shown after being presented with a lovely hand painted plate, centered with a sketch of the church, with the inscription "To Rev. and Mrs. Luther A. Key, members of First Baptist Church." Mrs. Miriam Burgess, a member painted the plate.

The Belle Glade Ministerial Assn. Approves New Constitution-Bylaws

The Belle Glade Ministerial Association met Monday a. m. at the Community Methodist Church for its regular monthly business meeting.

The following items of community interest were approved: The association adopted a new constitution and by-laws and hence forth will be known as The Belle Glade Area Ministerial Association. All ordained and/or duly appointed ministers of Christian, Evangelical churches who serve established churches in Belle Glade, South Bay, Lake Harbor or other small communities within a ten mile radius of Belle Glade, or missions of the established church within the communities are eligible to apply for membership in The Belle Glade Area Ministerial Association.

The officers of the old Belle Glade Ministerial Association will serve as officers of the new association through December. New Officers and committees will be elected to serve for 1962.

The following ministers received as new members at the Monday meeting were Rev. Jack Edwards, Christian and Missionary Alliance, Rev. S. J. Davis, Church of God and Rev. Ora Smith, Church of the Nazarene. This brings the total membership of The Belle Glade Area Ministerial Association to thirteen.

The Association is sponsoring a Thanksgiving Day service at 10 a. m. at the Community Methodist Church with Rev. Luther Key bringing the sermon and other ministers participating. Palmer January, vice mayor of Belle Glade will read the Presidential Proclamation, music will be furnished by the Belle Glade High School Glee Club and combined choirs of all the participating churches. The Lutheran and Episcopal congregations will observe Thanksgiving services in the respective churches in keeping with their denominational spirit, but in harmony with the spirit of community cooperation.

Mr. and Mrs. Richard Phillips and son Rickey of Miami were here last weekend visiting her parents, Mr. and Mrs. Sam Burns and his mother, Mrs. A. C. Phillips, Pahokee.

Mrs. Lois Ruff, Miss Margaret West, Mrs. Minnie Williams, Mrs. Mary Moody, Mrs. Lorraine Dowdy and Mrs. Alice Close plan to attend a CTA workshop at Hotel George Washington, West Palm Beach on Saturday.

Jehovah's Witnesses To Convene

"Uniting Men in a Split-World" is the featured discourse of the West Palm Beach three-day convention of Jehovah's witnesses, November 17-19. According to Mr. James G. Zea, Presiding minister of the Belle Glade congregation, this lecture will be delivered Sunday afternoon by David J. Thomas, District Supervisor, from the Witnesses' Brooklyn headquarters.

Edmund W. Hooper, Circuit Supervisor, who will deliver a key discourse Sunday evening on "Manifesting Christian Manners," said: "The urgency of uniting one another is keenly felt by Jehovah's witnesses because of mounting world tensions. The very purpose of this meeting is that of assisting each one to safeguard Christian principles in this troubled world."

Hooper, who is now in West Palm Beach making final preparations, feels that the Jai Alai Fronton, site of the three-day convention, will provide excellent and comfortable facilities for the estimated 1,800 delegates from the 20 nearby congregations of Jehovah's witnesses, who will begin streaming into the city on Friday.

Zea said that the Belle Glade delegates are all enthused about the assembly and are assisting in the final travel preparations.

Sermon Topics

Community Methodist Church "What Are You Taking With You?" will be the Sunday a. m. service sermon of Rev. Leo D. Rustin, pastor, at 11 o'clock.

Church of the Nazarene — Communion service will be held Sunday at the morning service. At the evening service Rev. Ora Smith, minister will bring the sermon at 7:45 p. m. on "Rest From Three Angles."

St. Peter's Lutheran church, "A Timid Faith Encouraged and Rewarded" will be the subject of the sermon Sunday a. m. by the Vicar, the Rev. August Koerber.

First Baptist Church — "Now Thank We All Our God" will be the sermon Sunday morning by Rev. Luther Key, pastor. At the evening service he will speak on "The Grace of Gratitude."

Religious Drama Festival Slated At Stetson Univ.

A religious drama festival will be held at Stetson University, DeLand, Feb. 22-24. It will be jointly sponsored by the southern Baptist Theological School Board, the Florida Baptist Training Union Department, and Stetson.

The festival's purpose is to acquaint churches with the value of drama as an unexcelled method of presenting truth. Cecil McGee, drama consultant, Baptist Sunday School Board, said.

Four one-act plays will be presented, and personalities in the field of drama will lead practical discussions and present demonstrations. Special emphasis will be given to dramatization of worship and teaching materials for church organizations. A feature for children's workers will be a workshop in creative dramatics running simultaneously with other conferences.

Any person or group interested in religious drama is invited to attend. There is no registration fee.

A portion of the time will be given to discussion and demonstration in the following areas: The Place of Drama in the Churches.

Drama Materials and Resources, Choosing the Play, Making Programs Come Alive — Dramatically.

Drama on a Shoestring (ways of using drama effectively with little cost).

Directing the Church Play, Creative Dramatics for Children's Workers.

Chosen Baptist Church Hears Elder Bob Nusko

Eld. Bob Nusko, Orlando, was guest speaker at the First Independent Missionary Baptist Church of Chosen last Sunday in the absence of the pastor, Eld. E. L. Johns.

Eld. Johns returned home Monday after conducting a week of revival services at the Whitney Baptist Church of Leesburg. There were eleven additions to the church during the meeting.

The District Youth Rally will be held at Salerno. Youth attending from Belle Glade will meet at the church at 6:30 p. m. Friday. Transportation will be furnished.

Birthday Party Given For Three Teenagers

Last Thursday evening Bethesda Ramos, Joe Ramos and Lee Rodgers shared a birthday party given in their honor at the home of Miss Gertrude Kiefer. Refreshments of ice cream, Kool-aid and birthday cake were served to the following guests:

Darlene Dupere, Janette Pearson, Esther Rodgers, Carol Rodgers, David Rodgers, Elais Ramon, Larry Griffin and the honorees, Miss Ruben Schultz assisted Miss Kiefer.

Ann Nelson Weds Atty. H. Johnson

The marriage of Ann Nelson of South Bay to Harry P. Johnson, Cleveland, was solemnized Thursday night, November 9, at 8 o'clock at South Bay Baptist Church.

The bride is the daughter of Mr. and Mrs. J. D. Graham, South Bay and the groom the son of Mr. and Mrs. Kingsmore Johnson Sr., of Boca Grande.

For her marriage the bride wore a street length dress of soft dark brown wool with lighter brown accessories and an orchid corsage.

Nuptial music was furnished by Miss Ruth Jones at the organ and a vocal selection, "Sweet Mystery of Life," by Miss Charlene Jones.

Reverend James A. Fenton, pastor of South Bay Baptist Church, performed the ceremony before members of the immediate families and a few close friends.

A reception at the J. D. Graham home was held for the immediate families of the couple, following the ceremony. Mr. and Mrs. Johnson enjoyed a day's honeymoon in North Florida. They will make their home in Cleveland, where Mr. Johnson is a practicing attorney.

Impressive Rites Mark Initiation

In a beautiful Candlelight Ceremony on Thursday evening, at the home of Mrs. Hector Ouellette, Mrs. Lomas Amerine and Mrs. Herbert Vater were initiated into Xi Beta Gamma Chapter of Beta Sigma Phi. The president, Mrs. Milton Carpenter presided.

During the business meeting that followed, a report was given on the rummage sale held recently, and the chapter voted to sell Mrs. Leland's Butter Nut Candy as another Ways and Means project.

Service Chairman, Mrs. F. Anderson thanked all those who helped serve at the P. T. A. Carnival Sweet Shop.

It was decided that the Chapter will have a Thanksgiving Pot-luck Dinner on Saturday evening November 18, at the home of Mrs. Thomas Baker, in lieu of the luncheon originally planned.

Mrs. Frank Anderson rendered a most interesting program in the form of slides and commentary of "Hawaii."

Mrs. O. G. McWhorter will be hostess for the next meeting with Mrs. Brainerd Strong in charge of program.

Delicious refreshments of cake, nuts and coffee were served by Mrs. L. Amerine, Mrs. Frank Anderson, Mrs. Thomas Baker, Mrs. Milton Carpenter, Mrs. H. Vater, Mrs. Gene Cross, Mrs. Wm. Graber, Mrs. Eddie Jones, Mrs. Earl Lindrose, Mrs. Rosa Nash, Mrs. Brines Strong and Mrs. E. McAllister.

Mrs. Oscar Thomas remains a patient at Good Samaritan Hospital.

A/2 and Mrs. John Pellon of Homestead are visiting her parents Mr. and Mrs. Clarence Throop and other relatives here for a few days.

Bridal Shower Honors Jane Betts

Jamison Hall was the scene Friday evening of a lovely bridal shower honoring Miss Jane Betts whose marriage to Wm. H. Schoenfeld will be a Thanksgiving Day event in Community Methodist Church.

An Autumn gold color scheme was carried out in the decorations of the table. The centerpiece was centered with a miniature bride surrounded by gold mums and hibiscus, with a lovely arrangement by Mrs. H. V. Draa of gold mums and hibiscus centered with an "umbrella" made from a large leaf of a castor bean plant. The same colors were used in decorating the punch table. Mrs. Ruth Wedg-

worth served the punch and Mrs. Russell E. Tucker served the cake.

Lovely orchid corsages, given by Mrs. R. S. Burr, were presented to the bride-to-be and her mother, Mrs. J. C. Betts, and the groom's mother, Mrs. P. C. Schoenfeld.

Miss Mary Gossard and Mrs. Gale Willis assisted the bride in opening her gifts. Hostesses were Mrs. Gladys Brown, Mrs. Dorothy Crompton, Mrs. N. T. Taylor, Mrs. Ruth Wedgworth, Mrs. Milton Brackin, Mrs. D. G. Hollingsworth, Mrs. H. V. Draa and Mrs. Russell E. Tucker.

Water Control Units NW Of The Lake Accepted As Completed By C & SF FCD

In action recently the Governing Board of the Flood Control District accepted two completed projects for operation and maintenance. These are:

- (1) Canal 41 (Harney Pond Canal), a 28-mile-long canal which serves an area of nearly 2,000 square miles in Highlands and Glades Counties. This canal, with two water control structures, built at a cost of about \$3 million, is tied in to the Lake Itzokpaga drainage system - northwest of Lake Okechobee - and provides flood protection with large irrigation water in a large agricultural area.
- (2) Levee 61, a 10-mile-long interceptor dike along Levee 50 (the major protective levee on the northwest shore of Lake Okechobee). Levee 61, which extends from Fishing Creek to Harney Pond Canal, protects the pumped land area lying between the Lake Shore Levee and the new interceptor dike from excess water flowing overland from higher ground to the northwest.

Riley S. Miles of Kissimmee, Chairman of the FCD Governing Board, commented:

"Almost every Board meeting now we have major items like these for acceptance. I think this is indicative that we are making real progress. In past years, the Board might meet several months in a row between the times when projects like these would be completed and would come up before the Board for acceptance."

Prospective Sugar Quotas - On Area, National And International Levels Are Politically Controlled

The U. S. Department of Agriculture announces that the acreage of 1962-crop sugarcane in the Mainland Cane Sugar Area of Louisiana and Florida will not be restricted.

This is the third successive year that no production restrictions under the Sugar Act. However, production is expanding rapidly, particularly in Florida, and present estimates indicate that even if a material increase in the marketing quota for the Mainland Cane Area is provided by new sugar legislation, it is probable that restrictions will be necessary for the 1963 crop. The crops of 1954-1959 were restricted through individual farm proportionate shares (acreage allotments).

In deciding that sugarcane growers may use their entire 1962 crops for sugar or need in qualifying for Sugar Act payments, USDA's considerations included the following:

1. Adverse weather conditions resulted in lower than anticipated sugar production from each of the crops of 1958, 1959, and 1960. This situation, together with increases in the annual sugar marketing quotas for the area because of large deficits in off-shore domestic areas, caused the area to fall short of meeting its augmented quota of either 1959 or 1960.
2. The stocks of mainland cane sugar at the beginning of 1961 were unacceptably low and no appreciable increase is anticipated by Jan. 1, 1962.
3. Unrestricted 1962-crop production was recommended unconditionally by industry spokesmen, with full knowledge that future acreage adjustments might be necessary to keep stocks in excess of quota carry-over requirements result.

Lions International Demonstrate Folks Interested In The People

Lions Clubs throughout the world have adopted a Vacation Visitor program for young men and women between the ages of 16 and 25 during the coming year.

The program calls for Lions Club sponsorship of a youth in one of the 114 Lions Clubs of visit with the family of another Lions member in another nation. It will not be a student change program and will aim for short visits. The expenses will be shared by the sponsoring and host Lions Club and will be correlated through the Lions International Office.

The program's purpose is to provide the Vacation Visitor with first hand experience of life in a home or community so that understanding may be developed.

The International Association of Lions Clubs is the world's largest service club organization with 625,000 members located in 114 countries of the Free World.

General Scope

Under the provisions of this program, a young man or woman between the ages of 16 and 25 may be sponsored by a Lions Club in one country to visit with a host Lions Club in another country, as a Vacation Visitor.

Steps to be followed:

Prospective Visitors fill out application blank providing pertinent information and a photograph.

BG Personal Notes

(Continued From Page 5) after visiting Miami.

Mrs. W. E. Schlechter accompanied by Mrs. Clara Simson motored to Hammond, Ind., to bring her mother Mrs. A. L. Royals home with her. Enroute to Belle Glade they stopped over to visit with Mrs. Schlechter's son and daughter-in-law, Mr. and Mrs. W. E. Schlechter, Jr., in Bainbridge, Tenn.

Mr. and Mrs. E. C. Mapps visited Tuesday with her father and stepmother, Mr. and Mrs. D. D. Humphrey in Lake Worth.

Mrs. W. J. Rawls and daughter, Mrs. Kathryn Green, accompanied by Mrs. Burton Rawls, Sr., plan to leave Saturday for a week's visit at Mrs. W. J. Rawls' home at Hendersonville, Tenn.

Mr. and Mrs. H. J. Martin have returned from motoring their daughter, Mrs. L. R. Carswell and children to Murfreesboro, N. C., where she is her husband who is working with the state inspection service. Enroute home the Martins enjoyed the lovely scenery in the mountains.

Mr. and Mrs. E. E. Jones who spent the summer in Colowhee, N. C., have closed their mountain home and last weekend returned to spend the winter at their Belle Glade residence.

Mrs. Richard Riddle returned by plane last Friday from Annville, Pa., where she visited relatives and attended the funeral of her father Mr. Charles Fosnocht.

Demolish Confers Initiatory Degrees

The Lake Oklawaha Chapter of Demolish conferred initiatory degrees on Neil Walker, William LePitt, Jim Burns and Franklin Shute, Monday night at the Masonic Temple.

The Chapter will hold Parents Day observance Sunday Nov. 26.

Jack Gorham Leads In Golf Tourney

Jack Gorham shot 68 to take the lead in the Belle Glade Country Club Championship at a thirty six hole total of 138, second is Hugh Branch with a 72 Sunday and a total of 141. Close behind is Randy Walford with a 70-142 total. Jack Gorham, who is the defending champion, won the 1959-60 title by a score of 141-142. He was defeated by Hugh H. Branch, Jr.

In the "A" Division Fred Smith took the lead from J. S. Barwick with a 69 and a 141 total. Barwick is second with 74-146, third is Dick Parrish at 72-150. Fred Smith won a half dozen golf balls in the "A" Division.

The final eighteen holes will be played on November 26 at the Country Club. A presentation party will be held the following weekend.

Cub Scout Tr. Session Attended By 35 Parents

Approximately 35 parents turned out for the training course conducted by Paul Luce, field director of the Gulf Stream Council, Boy Scouts of America. This was the first of three sessions to be conducted.

Parents who wish to register their son in a Cub Scout Pack must attend at least two of these training sessions before their son is eligible.

The next session conducted by Mr. Luce will be Monday, Nov. 20 and the final session Tuesday, Nov. 28. The session are being conducted at the Council Hall, Robert M. Hooker is the Cub Scout master.

Future Wives Believe Woman's Place Is In The Home, 4-H Workers Say

Virtually all 4-H Club girls believe that woman's place is in the home, if the more than a million engaged in a home economics project could be quoted.

At any rate, the future wives and mothers are preparing early for woman's destined role: that of homemaker. Perhaps more importantly they should be called "homemaker."

Accepting statistics released by the U. S. Department of Agriculture, some 1.3 million girls between the ages of 10 and 18 are enrolled in 4-H Clubs. And judging from interest in projects such as cooking, sewing, interior decorating and home management the young ladies are anxious to learn how to do a first-rate job.

To sum up homemaking activities under one general 4-H category, home economics, the Cooperative Extension Service and Montgomery Ward offer a full-scale program that sets up specific standards, goals and rewards.

Each year members recount achievements and submit their records in county, state and national competition. The Extension Service selects the winners. Montgomery Ward provides awards.

The last week of this month (November) six outstanding girls will be named national winners and receive \$400 scholarships. Approximately 50 girls are expected to win state awards of an all-expense paid trip to the 40th National 4-H Club Congress convening in Chicago Nov. 26-30. Home economics medals already have been presented to the top-ranking girls in the county.

Diagnostic Laboratory Has Emergency Antidotes

Commissioner Doyle Conner today announced the establishment of an "emergency antidote center," for treating cases of animal poisoning, at the Department of Agriculture's diagnostic laboratory at Kissimmee.

"Establishment of such a center will go far toward providing assistance to veterinarians and owners for combating a large-scale outbreak of livestock poisoning," Conner said.

"We now have enough entities to treat 50 head of cattle for seven different poisons," he said. "Also, our toxicology department is equipped to diagnose cases where unfamiliar poisons are suspected."

Drugs have been accumulated at the laboratory for treatment of the following types of poison which have been found from time to time in Florida: rattlesnake, organic phosphate, chlorinated hydrocarbons, lead, arsenic, nitrate, strychnine and thallium.

Check point stations are located at Geneva, Alabama and Thomasville and Folkston, Georgia.

Memo to Uncle Sam: 'R-E-L-A-X'

If we continue to surrender state and local governmental responsibilities to Federal agencies, we could wind up with a centralized control over our lives.

So said Donald J. Hardenbrook, national vice president of the National Association of Manufacturers, in an Houston, Texas address.

"The time could come," he told the American Standards Association, "when we would be unable to choose our own careers, change jobs, start a business, buy or sell property, take a mortgage, move from place to place, borrow money, or even send our children to college without getting permission from some government bureau."

"Name almost any facet of American life—whether it's planting tobacco or getting rid of skid row—and there's someone in Congress or in the Administration who has a scheme for getting the Federal Government into it."

Screwworm Eradication Bys In North Florida

Commissioner of Agriculture Doyle Conner today announced temporary State-Federal screwworm headquarters have been established at the Tallahassee airport from which sterile fly dispersals are being made.

Current dispersals are at the rate of about 15 million flies per week, according to Dr. S. C. Gurman, assistant Federal veterinarian in Florida, in charge of dispersal operations. Dispersal flights are being made 5 to 6 days a week by one Florida state owned plane and two planes contracted for by the U. S. Department of Agriculture.

Sterile flies produced at a Federal laboratory at Kerrville, Texas, are being ferried by plane twice weekly to Tallahassee where temperature controlled holding facilities have been set up at the airport. Kerrville fly production is being stepped up, aiming at about 10 million weekly.

According to Dr. C. L. Campbell, director of Florida's Division of Animal Industry, dispersal coverage will be boosted to about 40,000 square miles as more sterile flies become available. In the meantime, all Florida-bound livestock shipments are being channeled through one of three Federal inspection stations in Alabama and Georgia. Check point stations are located at Geneva, Alabama and Thomasville and Folkston, Georgia.

Lake Shore Elementary Observes Education Week

In observance of American Education Week, the faculty sponsored a "Come and See" night. Parents visited the classrooms and actually observed teaching procedures and techniques. Approximately 218 parents visited the various classrooms throughout the school.

At the end of the thirty minute teaching period, refreshments were served to parents and children.

This activity is one of the ways by which the teachers hope to bring about a closer relationship between the school and community.

American Education Week Observed At Bryant School

Thirty parents of Bryant school took time out on Nov. 9, at 8 o'clock, to join the faculty and students in a program for the observance of American Education Week. Mr. Brown read scripture and Mr. V. Hart recited the Pledge of Allegiance.

Students in grades 1-8 shared their class activities with parents and friends.

Harold Hudson gave the purpose for the observance.

Monthly Reports Heard At PTA Meet

Following the program meeting at the monthly PTA meeting Monday night at the Cafeteria, the regular business was brought up, with President D. V. Fisher presiding.

Mrs. M. E. Ludlow reported that all bills of the Halloween Carnival were still not in and as of to date \$1,668.17 is the net profit.

Among other business announced were: the PTA now has a membership of 301; the executive committee will present the budget at the PTA next month for approval; those interested in subscribing to the National PTA Magazine, contact Mrs. Bussey.

The Gray Ladies have completed their course given by the Red Cross and are now taking care of children who become ill at school. Mr. Emmett D. Harris announced that though the ladies are working and ready to take on more work, they need 2 beds plastic sheets, blankets, a clock with remote hand. She asked that \$100 be given to cover these necessities. It was voted to use the PTA money for this purpose.

Mr. Fisher announced a Senior Red Cross chairman is needed, the duties to include arranging transportation to take seniors to the Red Cross Program, one trip.

Principal Morris announced November 21 will be parents and senior day at Palm Beach Junior College, and the parents and seniors can see what the college has to offer.

Rev. Lee D. Rustin gave the devotional. He spoke of the "prodigal son" and read from the Gospel of Luke 19:41.

Hostesses for the meeting were Mrs. Ruby Kirk, chairman, and Mrs. H. H. Gilbert. Pumpkin pie and coffee were served.

CUBAN CORNER

Noticias de La Cubanos

Our class was not large this week, some were working some were attending a political meeting in Pahokee. Those who were in class received workbooks. One workbook gives practice in reading and speaking English. The other one gives practice in writing and speaking English.

Some of the class time was used to talk about the meaning of writing and speaking English. Mr. D'Abreigon explained, "Halloween is a custom that came from people of Northern Europe. It is not a custom of Cuba from Spain."

Many questions were asked about forms of greetings and of saying good-bye. It is hard to understand why men say to each other in the morning, "What's cooking?"

Sales And Gas Tax Shout Slow Growth

Sales tax collections for the month of October based on September sales amounted to \$13,185,488.00, an increase of \$99,972.05, or 7.33 percent over the \$12,285,515.97 collected during the same month last year.

Total sales tax collections this fiscal year, July through October, amount to \$54,194,153.23, an increase of \$1,437,791.82, or 2.70 percent over the \$52,756,361.41 collected to date last year.

These figures are encouraging. We now have had two successive months showing an increase. However, the percentage of increase for the fiscal year so far still well below the revenue needed to produce the rate estimated from this source.

Gasoline tax collections during the month of October based on September sales amounted to \$6,425,642.76, an increase of 0.61 percent over the \$6,395,325.83 collected during the same month last year.

Kruschev Worries US

A labor relations report tells us that a president of a local musicians union wrote to a US Senator, "All Army bands off military reservations must receive clearance from that local in whose jurisdiction it plans to perform. The question is competitive or not?"

The Senator said: "If the Defense Department is sure that you are not a communist, then I am not. The union did not grant permission for the band to play for a public celebration, but later because 'our local was threatened with bad publicity by the newspaper, permission was finally given.'

Three cheers for the Senator and the newspaper! And we worry about Kruschev in a far-away country!

GLAD FISHING IN THE Glades

Len Hartman

Report in general from all camps indicate that this has been the best week end for bass in the last two months. Mark reports 25 bass over 5 pounds with one running to 8 1/4 pounds. Now that a lot of bass from Camp But, the same picture came from Slims camp with plenty of bass caught by everyone out-fishing. Tropical puts in the same reports. Plenty of bass brought in by all who went out.

At a round table discussion which included Mark on Jimmy and a few fishermen just in off the lake and myself, we summed up what we all believe will be the best winter fishing in years because of the low water. Catches of bass indicate they are getting ready for winter spawning. Many are carrying eggs with the two and three pound bass carrying the heavier sacs.

Big bass are feeding on the young small brim and anything that swims. So his pick up in feeding can mean only one thing. They are getting ready for the spawning. So we all look for an even greater increase in feeding if the weather holds. By this we mean the winds that kick up the bottom and cause them to lay off till water conditions clear up.

Many catches of bass are made on shiners but Don Norton and partner from Alabama both took 30 bass in two days fishing on black eels. While any black eel will take bass these two found the greatest success on the black eel put out by Team Lure Co.

Action has picked up in the heavy grass bass fishing with weedless spoons. So the next time you try for these tackle fishers run upwards of five pounds.

Slim will soon have his camp to normal with new improvements on the addition of a one piece roof covering the whole tackle and bait station. Presently he is putting the finishing touches to the new floor which has been raised eighteen inches above the old one to give more comfort to his staff and fishermen. I told Slim to put in a few chairs and call it the fishermen lounge. Or better yet a Can You Top This lounge.

Top water lures added to the bass caught on shiners. Best catches were made on Cuckoo Toppers and a Dalton Special plugs.

All camps reports some special activity with the best catches being made late into the night. Pahokee reports best specks hitting around midnight. Canal Point reports same and exceptional catches made just inside the flood gates on live minnows. Lake Harbor has slinked off a bit on specks but has some good bass fishing on shiners on the town side of the locks.

Report comes from Clewiston of Jim Carter and Terry Moore on each having their limit of bass from the L-1 canal at bridge four on your way South. Three of these bass from 8 1/2 to 10 1/2 oz. All taken on shiners drifting the center of the canal.

Tim Harkness of West Palm reports a catch of specks at the pumping station on the L-7 canal. He reports 21 specks. That's a lot of specks even to the weight of a limit of 35 fish.

Fish camps near Andytown

report renewed activity in bass and specks with many good size brim being taken on minnows while speck fishing. One caught weighed 2 1/4 pounds. That's a man eating side brim.

Slims Camp
Bill Gamble of Belle Glade had a string of seven bass with two at 6 lbs. and 7 1/2 pounds. Lewis Motes of Belle Glade had a good catch of bass with one just over 6 pounds. George Scarborough had his limit of bass fishing one day then repeated the same feat the next day in the company of Marion Smith. I am told that his biggest was a 7 1/4 pounder. That's real fishing in any two days.

Mark's Camp
Hil Armentrout with a party of three other fishermen had thirteen bass to 6 1/2 and 7 1/2 pounds. All of Ft. Lauderdale. John Watts of West Palm Beach had four bass to 8 pounds. All on spoons with a yellow skirt.

Norman (Catfish) Jansik had his limit of bass to 6 1/2 pounds. But topped this whole catch with a fourteen pound catfish. Norman usually rounds out his week end of fishing with a catfish one week. His best catfish to date was a 25 pounder. He reports that by the time he finally landed this fish he forgot who was fighting who. Emory Bowers of Belle Glade had five bass with one 7 1/4 pounder. All taken on shiners.

Tropical Camp
Jerome Cuchen of Frostproof had a string of bass 5 1/4 pounds on shiners.

Walter Busbee of Pahokee had a 6 1/2 pounder on a shiner. Mrs. Pauline Collier of Okeelanta caught a bass 5 1/4 pounds on a shiner.

The best report comes in by way of Donald Smith son of one of the camp owners by having caught a 5 1/4 pound bass on a shiner. Don is sixteen years old and becomes one of our whopper Award winners. Don is a former Pahokee High School student who recently moved out of camp.

EVER BEEN HOME SICK

Hi "Case-Raters,"
 Just a line to let you know I haven't forgotten all of you. I think of all of you each day and try to figure out during the day what you are doing at that time.

"This life up here is quite a bit different from civilian life. We get up about 5:30 every morning. Everything is pretty well mixed up here, trying to get a company organized and we had about a 150 filter troops company in after we got here so we have about 250 men in our Company now."

"I've got a pretty good job. I'm unit Mail Clerk and about all I do is take care of the mail. Ain't that luck!"

I sure would love to hear from each and everyone of you so don't be too bashful to write.

My address is on the envelope.

U. S. Open Black Bass Championship Must Beat Record of 22-Lbs., 4 Oz.

Plans for the first annual U. S. Open Black Bass Championship this area to be near the fish camp. So he now attends the Lake Placid High School. Don is the junior handyman around camp and will assist you in any way possible. But your best bet would be to ask him where the best fishing is next time you go out there. I got it on good authority that he has pointed the way to many good size bass being caught out of this camp. Keep up the good word Don.

Glades Joins Florida's Lower Unemployment

Unemployment insurance payments to Florida's jobless dropped to \$3,776,978 in October 5 decrease of \$447,314 below September which had one less working day than October.

Twenty-three Florida State Employment Service offices showed decreases while nine showed increases.

Reasons for the decrease were primarily due to normal seasonal upturn of business and also because the State is emerging from the recession, Brown said.

Among Florida State Employment Service offices which showed decreases is Belle Glade down \$5,839 to \$17,308.

Leaders Honored At Spaghetti Dinner

4-H leaders who have worked with the 4-H girls and boys in the county during the past year were present. Others leaders: Dinner at the Mount Agricultural Building on Thursday night. The leaders were presented with the Award of the Clover and Certificates for their achievements by Mr. Gordon White, Assistant Boys 4-H club agent from Gainesville. Sixty-two leaders and their spouses were present. Others leaders new to the program were also recognized.

Present to receive their award from the Glades area of the county were Mrs. W. E. McCall of Canal Point, 2 years award, Mr. McCall, 1 year Award, Mrs. Bruce Bittling of Canal Point, 2 year award, Mr. Bruce Bittling, 1 year award, Mrs. A. R. Harrington, Canal Point, 7 year award, Mr. George King of South Bay, 6 year award, Mrs. George Parker and Mrs. Wayne Raughman of Belle Glade were recognized as new leaders to the program this year.

A series of slides were shown by Mr. White entitled "Growing Up." These showed children in various growth stages and suggested ways to help them with their 4-H club work in these different stages. A film entitled "Man Enough for the Job" was also shown to the group. This depicted the 4-H club program in a particular county and how boys and girls develop through the Spirit of 4-H.

Mrs. R. E. Coombs of Lantana and Mrs. Harry Hoare of Lake Worth each gave talks on their work in the 4-H club program.

The dinner was prepared by the homecoming committee.

Beautiful Thanksgiving Arrangements Demonstrated At Garden Club Meeting

Mrs. Irvin Zampf, guest speaker, was introduced by Mrs. Lonnie Warren to members and guests of the Belle Glade Garden Club at the regular meeting of the group held at the Community Club House.

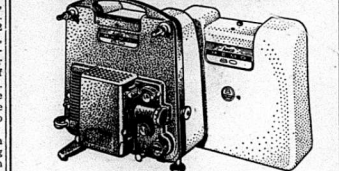

"Thanksgiving Arrangements" presented by Mrs. Zampf were also demonstrated with two beautiful arrangements. She stressed the main points to follow. Mrs. Warren made a triangle arrangement of Crotone leaves and Florida Holly and Mrs. R. E. Watson an arrangement of mixed vegetables and fruits.

Among other business, announcement was made of the rummage sale April 21.

New members were welcomed into the club by their sponsors. Guests present were Miss Margaret West and Mrs. Billy Ray Evans.

The refreshment table was enhanced with a "Pumpkin Man." Delicious pumpkin pie and coffee were served by the hostess Mrs. Ray Browne and Mrs. C. L. Williams.

Conner's Trade Name Contest Fund Grows

The Florida Citrus Commission has added \$300 to the prize money offered by Commissioner of Agriculture Doyle Conner for the best trade name or slogan for Florida fruits and vegetables, it was announced by General Manager Homer E. Hooks.

In a letter to Conner, Hooks said the Commission felt that the contest "ties in closely with our own efforts to identify Florida citrus in the nation's markets."

Since announcing the contest, Mr. Conner has received more than 800 proposed slogans while the reward swelled from \$100 to the present \$1,000.

THANKSGIVING 1961

TAKE TIME TO COUNT YOUR BLESSINGS

COUNT YOUR BLESSINGS!

President Henry C. Coleman of the Florida State Chamber of Commerce, in his annual report Monday, at St. Petersburg, said:

"I recently read of a way to catch up with the USSR, as follows:

Abandon three fifths of our steel capacity, two thirds of our petroleum capacity, 95 percent of our electric plants; destroy two-thirds of our hydro-electric plants, release nine-tenths of our natural gas now being put to productive use, rip up 14 of every 15 miles of our paved highways and two out of every three miles of our main line railway tracks, scuttle eight of every nine ocean-going ships, scrap 19 of

every 20 cars and trucks, cut our civilian air fleet to only a fraction of its present number, reduce our standard of living by three-fourths, destroy 40 million television sets, tear down seven of every ten houses, cut off nine of every ten telephones and move 60 million Americans back to the farm."

US NEWS & WORLD REPORTS says: We have 600 long-range bombers to Russia's 150, 2,550 medium and fighter bombers against 200 able to reach targets, 48 intercontinental ballistic missiles to 50-75, 96 polaris submarine missiles to NONE, 90 medium-range ballistic missiles in range, against NONE, 550 other missiles (on ships, planes, ground bases) against possibly 50, 15 attack aircraft carriers

with 1,500 war planes against NONE, with Russia having probably not half as many as our 35-40,000 atomic bombs and other nuclear devices."

How many public speakers of comparable standing in RUSSIA would end a talk as did G. T. Willey, Vice President and General Manager, Martin Co., Orlando, the keynote speaker to the 45th annual meeting of the Fla. Chamber, Monday, with the subject "Florida A-OK Countdown to Prosperity?"

Mr. Willey said: "Above all is DISCIPLINE which comes from DIVINE WISDOM and STUDY, devoid of legalism. We are fighting not a nation, the dogma of Carl Marx - Ideology of communism. We cannot fight

this as materialists - but as God-fearing men.

"Then, let us have discipline of desire that our desires might be of pure nature, not of personal gain; and as citizens and partners of the continental United States and the whole free world, our COUNTRY is COMPLETE and our HISTORY is written. The JUDGE of all the earth can sum up the evidence and present the verdict, WELL DONE THOU GOOD AND FAITHFUL SERVANT."

LET'S COUNT OUR BLESSING - of such reassuring facts - and for having cold-blooded scientists and business executives who think as does Mr. Willey.

IN BRIEF..

The City Hall offices will be closed both Thursday and Friday in observance of Thanksgiving. City Clerk Vera Jones reminded.

Alumni Recognition is planned with tonight's last football game of the season for the Rams when they meet Pahokee on our home field. Coach Maynor, we're told, is betting heavily on the Rams.

Gloria Smith, Jenny Austin and Nola Thomas will be Pook ball sponsors for the Golden Rams at tonight's game with Pahokee. Election was held by the football boys last Tuesday. Co-Captains Kenny Martin and Dwight Ward will assist captain Robert Rabara on the lead-out.

The entire senior class (about 86 members) of Belle Glade High School visited Palm Beach Junior College Tuesday to consider entering the college there next year. Sponsors with the group were Coach Jim Maynor, Wayne Fortenberry, Mrs. Carl Hill and Mrs. Kathleen Rogers.

It was Thanksgiving for Mrs. Audrey Jones last weekend when she found arriving in Ocala that her little grand daughter had been seriously injured. The child, daughter of Dr. and Mrs. Willard Jones, Ocala, was struck by a car while going to the football game and suffered a broken knee, bruise and abrasions.

Working well into the nights, Belle Glade Policemen have been spending every off hour decorating the Armory building for their annual ball this Saturday night. Ladies, get out your dancing slippers, line up your frock and get hubby convinced to join in the fun.

Telephone toll calls from the Glades have increased 45 percent during the past few weeks, indicative of the increased activity in the area, manager Lee reported.

Plans for one large Glades Hospital seem to be in a state of flux.

We understand the "money boys" are still figuring on the best method to dole out money to the city for sewerage.

Water Tank Contract Signed by So. Bay

The R. D. Cole Company of Newman, Ga., was bid higher at \$23,470, for the construction of a 100,000-gallon water tank and a contract was signed by the City of South Bay with the firm.

B. A. Roemer's bid of \$7,000 for foundation work was successful. C. E. Crichfield was employed to do the electrical work, and Russell & Axon are busy driving test piling.

Routine discussion was had on occupational illnesses, past due water bills and building permit. Accountant Wm. C. Rhodes submitted a report on his audit for the recently ending fiscal year.

Vice Mayor Grigsby presided at the Commission's Thursday night meeting when the Mayor was detained because of an accident to his son, Kenny.

Sugar Cane Planting

BELLE GLADE-FHA CHAPTER, a member of Glades Sugar Growers Cooperative, last Saturday completed planting ten acres of the 25 acre plot of cane which have quota to grow this year. Approximately 39 members gathered at the school farm and divided into three competitive groups to accomplish the work. It was declared by the school Principal and As teachers that a winner should not be declared however, as every boy did his utmost in the project.

Talk On Safety Patrol By Director Williams

Henry Williams, a member of the faculty of Belle Glade schools and Director of the Safety Patrol of the Elementary Schools told Jaycees of the 650-000 girls and boys throughout the country who guard the school crossings and of the training in leadership and community responsibility given them.

Mr. Williams pointed out that the benefits from a trip to Washington D. C. during each spring season is of inestimable value to the students, and expressed the desire that every member might be able to attend.

"We like to make this trip as a reward for things done by the participant, and particularly have each contribute service or work towards raising the necessary money." The speaker told the Jaycees.

Hoch Cooper and Tony Woodman were appointed Co-chairmen of the Christmas Party for the purpose of raising funds for Mr. Williams' project.

Mr. Williams announced that his group will conduct an auction in late February to add to the "On To Washington" trip.

Hostesses for the evening were Mrs. Judy Sullivan, Mrs. J. M. Jackson, Mrs. Edwin Leathlean. Decoration centered around the Thanksgiving Homestead. Plenty theme arranged by Mrs. Bill Jeffries.

One of the earliest hunter-wives was Lula Curry who had lived up in Sumner County until she married Will Curry at the mature age of sixteen and

'Shove-Out' Charge Has Defense Aide

A charge of "shove-out" from a car of an epileptic during a seizure as reported in Tuesday's paper has sidehills.

Frank Prevatt operator of Frank's Filling Station and a former Deputy Sheriff in the Glades reports that "about dark this car stopped just about on the edge of the concrete apron in front of my station, and it hurtled a man, with his back to the opened door, apparently pushed by the driver of the car. The car then moved northward, but not before I was able to get his license number."

"I investigated, and being unable to get any information from the man, called an ambulance. I notified the police and gave them the information I had."

Reports are that the driver of the car who was charged with the "Shove-out," states that he picked up the man "down the road" and when he began waving his arms around and clutching at the driver and his clothes, the driver decided that he

World's Vegetable Capital

"Got Em Good; Got Em Cheap" According to the local office of the Federal-State Market News Office, rail and truck shipments totaled 639 carload equivalents on vegetables from the Belle Glade, Pahokee and South Bay sections last week.

The weekly price ranges ending Monday, Nov. 20th, show that good harvester beans sold from 2.25-2.25 per bushel; Celery from 2.75-3.50 per crate; early Tuesday the market on celery was down to 2.25-2.50 per crate from 2.75-3.50 per crate of five dozen and radishes at 75-100 per basket of 30 8-ounce film bags. Shipments of cabbage continue in very light quantities.

At a comparable week last season, 451 cars were shipped. Celery, beans and corn are the

volume leaders, while this time of the last season, beans and corn were about the only crops showing good volume. Celery harvesting started almost two weeks earlier this season, over last.

The quality of most vegetables in the area continue to be good. Observers say that this is one of the best falls, "quality-wise" for several years. The same group agrees that "when you got em good you got them cheap."

Some increase in volume of this item is expected in the near future. A good volume of peppers is available this fall. Varieties of pepper include the popular California wonder, and both, Italian and cuban-d.

Regardless of the opinions of some, "that sugarcane would replace some vegetables" the above figures indicate that this area will continue to be the "vegetable Capitol" of the world.

Police Annual

Dance Saturday

Night, Nov. 25th

The Belle Glade Police Association holds its annual Dance Saturday night at the Armory for its Benefit Fund.

Special sponsors' boxes which have been subscribed for generally are strategically located near the dance floor, and due to the size of the auditorium plenty of room is left for general admission tickets.

The public is invited for a donation of \$5 is suggested for the Benefit Fund.

Van Claine's Orchestra will play for the dancing from ten o'clock to two A. M.

Visitors from Oseola, Florida Sugar and the Glades Co-op were among the invited guests at this event.

Arrangement was made by President Bob Lee that the agencies responsible for the water-borne deliveries Tuesday have completed negotiations for additional deliveries by barge amounting to some 1,200 tons.

It is reported that \$4 per ton was saved over other freight methods in this movement.

Joe Hugh of the J & L Engineering Co., and O. L. Kirkpatrick of the Twenty Grand Oil Field Service (tugs and barges) were present representing their respective companies.

The Authority recommends to Glades large users of transportation that competent traffic experts be consulted to assist in the solution of these problems.

The reception and feed were under the sponsorship of the Belle Glade Chamber of Commerce and the Port Authority.

Captain John P. Duffie and his assistant, S. W. Williams of the tug BAHAMIA gave the spectators an exhibition of "parking" the three loaded tugs tight against the wharf in tie time. Someone remarked "I believe that Captain has done something similar to this before."

Lovely Dolls For Christmas Gifts

"SWEET SUE" the bride doll and her bridesmaid, are being sponsored by the Beta Xi Chapter of Beta Sigma Phi as one of their projects for this year. The beautiful dolls will be on display at Sue's Dress Shop Dec. 1, and the drawing will be on Dec. 9 at Sue's. Each doll has a wardrobe of 14 outfits, all handmade by members of Beta Xi. Donations are five for \$1 or 25 cents each. There will be three separate drawings. Mrs. Davis Kichlighter, Ways and Means chairman, announces the proceeds from this project are used for worthy causes locally, such as the scholarship fund, hospital equipment, donations to library.

Open Meeting Held For Four Rushees

An open meeting for rushees of Beta Xi Chapter was held at the home of Mrs. Peter LaChance. Following a brief business meeting at which Mrs. Robert Davis, president, presided, rushees were subjected to a unique and delightful skit, the novel idea of Mrs. William B. Rhodes. Complete with microphone and guest panelists, membership chairman, Mrs. Rhodes presided at a radio program entitled "Information Please." The skit was designed to acquaint the rushees with the purpose and history of the Beta Xi Chapter. The director, Mrs. Melville Sheahan, participating were Mrs. Joseph Baker and Mrs. Robert Davis. A social hour was enjoyed after the informative and interesting program. Mrs. LaChance served unusual and delightful refreshments to the following: Mrs. John Grady, Mrs. Harold Gilbert, Ronald Camarero and Mrs. Royce Owens also to members Mrs. Robert Davis, Mrs. E. S. Roberts, Mrs. J. O. Miller also Mrs. William B. Rhodes, Mrs. Wilbur Minerva, Mrs. Howard Hill, Mrs. Vera Jones, Mrs. Ray Caruthers, Mrs. Davis Kichlighter and the director, Mrs. Melville Sheahan.
